DIFFERENTIATORS

- An award-winning Interior Design firm providing full-service FF&E procurement.
- Master artisan of fine interior custom products, we not only design the treatments but fabricating them at our workroom and provide installation.
- We act as a fiduciary purchasing agent by negotiating FF&E purchases on the client's behalf.
- Our goal is to collaborate as a team member with large construction companies/prime contractors in the government sector to protect our client's investments while providing the best pricing terms, customer service, and the timely delivery of their project.
- Keen attention to details / Result-driven / Highly organized.
- Does "whatever it takes" to support the tactical & strategic goals of the project. Implement effective & efficient business solutions, performance management and oversight of complex projects.
- End-to-end Project Management; Able to lead from concept, to design to implementation of sophisticated, medium to large scale projects.

CORPORATE OVERVIEW

Capturing your mood and vision through design. We spend all our lives in rooms. They are the cornerstone to how we work together and interact. They drive our bonds and cultivate our perspective. At **Design Resources**, we are dedicated to challenging what qualifies as a successful design. Our knack for detail is evident as an award winning DBE, BEP, WBE, and WOSB certified women-owned Interior Design Firm. We're a premier brand with over 30 years of experience to show for it. We are eager to make projects come to life and uncover extraordinary new styles.

In everything that we do, it's about reimagining the future. Curating a personalized space that brings you results. We pride ourselves on a diverse portfolio spanning the Commercial & Residential area, with a turn-key approach. Our vision takes form from the architecture to the full-service furnishing and fixtures. We source from the highest quality fabrics, trims, wallpaper, flooring and accessories with sustainability in mind. Our in house artisans handcraft all bespoke soft treatments and bedding. Our cohesive unit comes together to bring your project to life from concept to installment. Embrace the power of a premier brand as we combine old and new. Using classical fabrication techniques and new digital technology for mockups/rendering so you can see your vision before we create.

VISION

To optimize your layout for results. Whether you want to capture a family motif or create a high performing work space, we maximize your potential. More than creating a design, we capture the essence of a room. Our skilled artisans work to bring out the behavior you want to induce. It's about making people comfortable to excel in the areas that matter. Your space has the power to transform productivity and define a culture. Let us reaffirm your purpose and your culture clearer.

MISSION

To deliver hands on craftsmanship at every stage. As a reputable brand, we have the privilege of an extensive network. We work with the best in the industry from design, management, to execution. Quality is at the forefront in everything we do and it shows in the people we work with. In such a personalized, customization-centered industry, we give you the flexibility to make it happen. We serve to create a better working world through design. We're a community of like minded creators looking to improve the human experience.
